
AGIFORS
ANNUAL SYMPOSIUM
2009

Airline Operations, Cargo and Logistics, Crew
Management, Revenue Management and
Distribution, Scheduling and Strategic Planning

VENDOR INVITATION

Dear prospective vendor,

We would like to formally invite your company to participate at the 49th Annual AGIFORS Symposium to be hosted by Georgia Tech and SITA in Atlanta, Georgia (USA). The conference has been scheduled for 28 September through 2 October 2009, and will draw participants from various airline functions, ranging from airline operations, cargo operations and logistics, crew planning and management, revenue management and distribution, and scheduling and strategic planning. In addition to being a forum for technical papers and full length presentations, the symposium serves as a networking opportunity where airlines can pursue their enterprise level IT requirements through active discussions with fellow delegates. This year we are expecting in excess of one hundred (100) delegates from twenty-five airlines. Each year attendees find the vendor presentations extremely useful and often ask for an expanded vendor program. Please review our tentative technical agenda and social program (attached).

All vendor delegates will pay the standard **delegate registration fee per person** to participate in the conference. In addition to the conference entrance, this entitles the corresponding company to a brief five (5) minute presentation on the technical agenda at the annual symposium (if desired). In addition, if interested your company may 'sponsor' one of the social events for a nominal fee of USD \$2,500 per event (see attached form) or USD \$1,750 to sponsor lunch. Another option for showcasing your products is a table display at the conference. You may have a display table or booth for a fee of USD \$1,000 for the duration of the conference.

You are cordially invited by:

Anne Jan Deeks

Anne Jan Beeks
President, AGIFORS

Tim Jacobs

Tim Jacobs
Technical Director
